

Greetings from Belt40!

We would like to start by saying to all of our friends, family and patrons of Belt40, thank you for all of your support that you have given us since our opening in the summer of 2021. You have made Belt40 a place where everyone gathers for fine food, kraft cocktails, cold beer, live music and good times.

We are excited to announce that Belt40 will begin Phase 2 of our project. This will include a renovation to our kitchen and our patio. Our kitchen will undergo a remodel with added new equipment which will allow us to serve you the finest quality food delivered in a timely manner. Second, the patio will be enclosed with screening, widened for added seating, new patio furniture, and specialty fans to allow for a cooler environment in the summer and infrared heaters to allow for off season use.

Phase 3 is estimated to begin after Labor Day which will include an extension to our dining room, an added spacious bar, additional lounge, table style seating, and 2 new restrooms with a small stage with state-of-the-art sound to feature our talented musicians. Phase 4 will include the development of the former campground adjacent to the Bistro and Lounge.

During this time and as we prepare to kick off the summer season on Memorial Day Weekend, we will temporarily have limited use of our kitchen and no use of our patio. Both will reopen prior to Memorial Day Weekend. In the meantime, please feel to join us for ***a full, enhanced appetizer menu, hand crafted cocktails, fine wine and beer as well as live music every Friday and Saturday night from 4:30 to 10:00.*** Watch for our special events which will include dinner service featuring various Chefs.

Many of you have ask about our hours. Yes! We will be expanding our hours that will take effect Memorial Weekend. We will keep you informed as we make progress. We look forward to seeing you soon at the Belt.

Good times ahead,
the Belt40 Family!
